

QHSEE Policy

Our principles and guidelines for acting.

The WILO Policy for Quality, occupational Health and Safety, Environment and Energy (QHSEE) shows our strong commitment to fulfill the requirements of our customers and stakeholders. Supplementing our Code of Conduct, it defines the guidelines for acting at all company levels:

- Compliance with all relevant standards and regulations
- Fulfilling customer and stakeholder requirements
- Management and improvement of processes
- Involvement of employees in all relevant topics related to QHSEE
- Fostering awareness, competence and individual responsibility for QHSEE
- Striving for “0 failure” tolerance
- Prevention of risks for QHSEE
- Including QHSEE aspects in all steps of the product lifecycle
- Establishing partnerships with suppliers
- Responsible use of resources
- Continuous learning, innovation and improvement
